AMEND Senate Bill No. 925*

House Bill No. 1917

by adding the following as a new section immediately preceding the last section of the bill and redesignating the last section accordingly:

SECTION ___. Tennessee Code Annotated, Section 2-7-112(a)(2)(D), is amended by deleting the subdivision in its entirety and substituting instead the following:

(D) Notwithstanding the provisions of subsection (c), for purposes of comparing the person's signature on the application for ballot, "evidence of identification" shall be:

(i) A Tennessee driver license;

(ii) A valid identification card issued by a branch, department, agency or entity of the state of Tennessee, any other state, or the United States authorized by law to issue personal identification, provided that such identification card contains a photograph of the voter;

(iii) A valid identification card issued pursuant to § 55-50-336;

(iv) A valid United States passport;

(v) A valid employee identification card issued by a branch, department, agency or entity of the state of Tennessee, any other state, or the United States authorized by law to issue personal identification, provided that such identification card contains a photograph of the voter; or

(vi) A valid United States military identification card, provided that such identification card contains a photograph of the voter.

If a voter is unable to present any evidence of identification specified in this subdivision, the voter shall be entitled to vote a provisional ballot under the procedures of this section. Such provisional ballot shall only be counted if the central provisional ballot counting board is able to verify current and valid identification of the voter and has met all the requirements of provisional ballots as provided in subsection (b). If a voter

does not have any of the identification described in this subdivision and is unable to afford a valid identification card issued pursuant to § 55-50-336, such identification card shall be issued to the voter upon the voter's signing a pauper's oath. An applicant shall file an accompanying affidavit of indigency in order to have any fees waived for such identification card.
